Dear Sir,

## SUBJECT: INVITATION TO COLLABORATE ON PREVENTING HUMAN TRAFFICKING AND SMUGGLING OF MIGRANTS IN NIGERIA PROJECT

We hope this letter finds you well. I am writing on behalf of Media Coalition and Awareness to Halt Human Trafficking MeCAHT to introduce you to an important initiative aimed at preventing human trafficking and smuggling of human beings in Nigeria and to extend an invitation for collaboration as stakeholders in this critical endeavor.

Our organization is launching a project to contribute to the prevention of human trafficking and smuggling of migrants in Nigeria. The project entails conducting awareness campaigns across the five states, reaching a total of 40,000 beneficiaries. This translates to 8,000 beneficiaries per state throughout the project's duration.

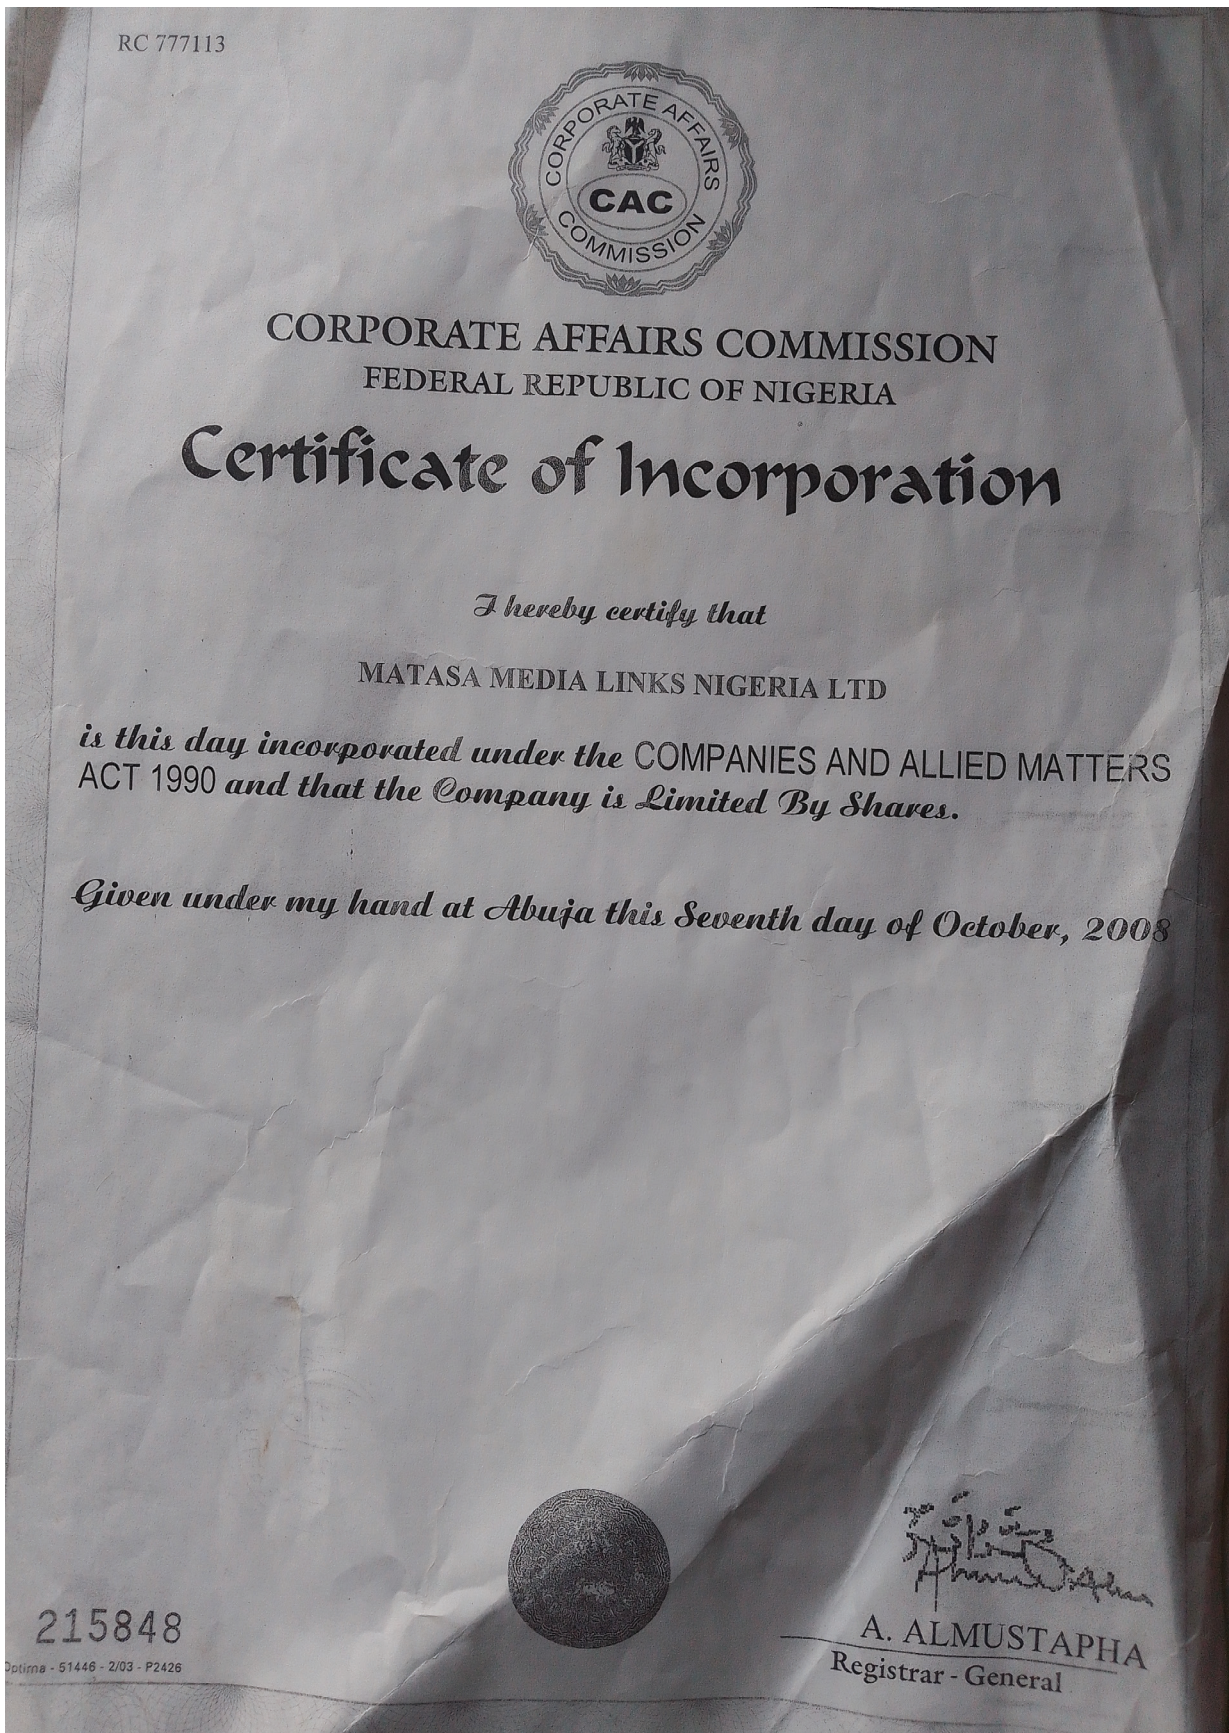

The awareness campaigns will disseminate anti-human trafficking messages and educate communities about the dangers and consequences of trafficking and smuggling. Additionally, the project will offer business training, soft loans, and scholarship opportunities to returnees and survivors across the states, along with advocacy efforts.

We believe that collaboration with media houses in Katsina State is crucial to the success of this project. As key stakeholders in disseminating information

Dear Sir,

**AMNESTY INTERNATIONAL NIGERIA'S REPORT: "WE DRIED OUR TEARS. ADDRESSING THE TOLL ON CHILDREN OF NORTHEAST NIGERIA'S CONFLICT"**

Amnesty International Nigeria is happy to share with you its report " We Dried Our Tears: Addressing the Toll on Children of Northeast Nigeria's Conflict" .

This report, which is based on research conducted by Amnesty International between November 2019 and April 2020 was launched on 27 May 2020. The report which builds on a decade of Amnesty International's work on the conflict in Northeast Nigeria, examines how children fleeing Boko Haram-controlled areas, including former child soldiers, are overwhelmingly victims of serious human rights abuses, including war crimes and crimes against humanity. It also examines how the military's widespread use of unlawful detention and torture has compounded the suffering of the children.

The report further reveals the negative and positive elements of the Operation Safe Corridor, a demobilization, disassociation, rehabilitation, and reintegration (DDRR) programme coordinated by the Defence Headquarters. It finally focuses on lack of access to education for children displaced from Boko Haram-controlled areas.

The report was also translated into hausa language and was released together with a short video showing the impact of the conflict on children. The video can be watched or downloaded at: <https://www.youtube.com/watch?v=manB-gTSMcU>

We sincerely hope that you would find the report useful, and we look forward to engaging further with you on the subject matter. Kindly find enclosed the English and Hausa language versions of the report.

As we look forward to hearing from you, Please feel free to contact our Media Manager, on [isa\\_sanusi@amnesty.org.ng](mailto:isa_sanusi@amnesty.org.ng) or our Research and Campaigns Assistant, Uloma Obike on [uloma.obike@amnesty.org.ng](mailto:uloma.obike@amnesty.org.ng) or 0809 999 3902.
